

The diagram illustrates a technical drawing of a pressure vessel assembly, likely a steam generator or boiler component, with detailed dimensions and labels.

Dimensions:

- Overall width: 547
- Internal width: 448
- Overall height: 265
- Base height: 100
- Width of base: 268
- Bottom flange diameter: $\phi 165.2$ (SUS304TP)
- Horizontal distances from left centerline: 59.9999, 110, 60, 60, 110, 60.
- Vertical distance from bottom flange to top: 165.2

Components and Labels:

- 安全弁 (Safety Valve)
- 圧力計 (Pressure Gauge)
- 2-1 $\times$ 3/4B ブッシング (2-1 $\times$ 3/4B Bushing)
- 2-3/4B ニップル (2-3/4B Nipple)
- ボールバルブ 1B (Ball Valve 1B)
- 4-カップラ 1/2B (4-Coupler 1/2B)
- 5-ボールバルブ 1/2B (5-Ball Valve 1/2B)
